

Meeting Minutes

PROGRAM EDUCATION COMMITTEE

Monday, February 6, 2023

Chairperson: J Whiting

Present: O Nwanna-Nzewunwa, L Nicolais, A Johnson, K Button, H Miller, J Burg, J Sawhney, K Han, C Demme, B Morse

Topic	Discussion	Actions/Follow-up
1. PROGRAM QUALITY		
a. Recruitment updates	<p>Match presentation this week. Rank list will be certified 02.15.2023. Non-evaluative open house 02.16.2023 R4 candidates visiting 02.16, 02.23.2023</p>	
b. Schedule	<p>Discussion of block schedule over 5 years. Following suggestions were made:</p> <p>Bar/MIS – 4/5 years Colorectal – 4/5 years Surg Onc – 3 or 4 times over 5 years. Rarely as a 3. Not enough “3 appropriate” cases Ped Surg – Intern, 3rd year Thoracic – better for juniors. JW in talks with the service to set expectations, etc. Breast – not guaranteed to have a resident. Trauma – 3rd or 4th year, chief rotation. Juniors separated off to burn.</p> <p>More indepth discussion of EGS: With less APP support, better to have 3 residents (2 juniors w/ 1 chief vs 1 intern, 1 more low/mid, 1 chief) is area of discussion) This makes it more possible to get juniors to OR, compensate for vacations, and get teaching cases.</p> <p>There are two attendings on that service and the second attending is currently not utilized well to</p>	

	optimize residents getting to OR or supporting a more junior resident or APP in seeing a consult without a senior resident.
